Top Marks for Food Hygiene Rating at Santas

Santas Food Hygiene Rating – July 2011

Food Hygiene Rating is a scheme that is run by local authorities in England, Wales and Northern Ireland in partnership with the Food Standards Agency.

Each business is given a 'hygiene rating' when it is inspected by a food safety officer from the local authority. The hygiene rating shows how closely the business is meeting the requirements of food hygiene law.

The lowest rating a business can receive is a '0' this means that urgent improvement is necessary, the highest possible rating is '5' which means a very good standard of food hygiene is undertaken at the business.

Santas would like to congratulate all staff and management for achieving a 5 star rating at all its branches.
